

SAI PROCESSING MENU

Stone Processing Services (Local or Overseas)

We offer a range of professional processing services for both our stock materials and your own stone. Whether you need a simple cut or a custom-fabricated piece, we can help bring your project to life.

Lead Times:

- **Local Processing:** 1–2 weeks (3–4 weeks for curved pool coping)
- **Overseas Orders:** 8–10 weeks

1. Custom Cutting & Resizing

- **From Our Stock:** We can cut any of our pavers, coping, or slabs to your exact dimensions.
- **Your Material:** Send us your own material, and we will process it for you.

2. Profiled Edge Services

- Elevate your stone's finish with custom edge profiles to suit your design needs.

3. Curved Pool Coping & Digital Templating

- Our specialized service includes precise cutting for curved pool coping and a templating service to ensure a flawless fit.
- Steps: Send pool photo > Choose stone & edge > Get a quote > Arrange template date > Receive final quote > Processing begins.

4. Custom Hearth & Benchtop Fabrication

- Get custom-cut hearths and benchtops that are ready for installation, available for our **Bluestone** and **Marble** ranges at a fixed price.

5. Porcelain Fixed Price Series

- We offer professional fabrication services for our porcelain at a fixed price.

6. Waterjet Cutting Services

- We provide intricate waterjet cutting for custom cutouts and name plaques.

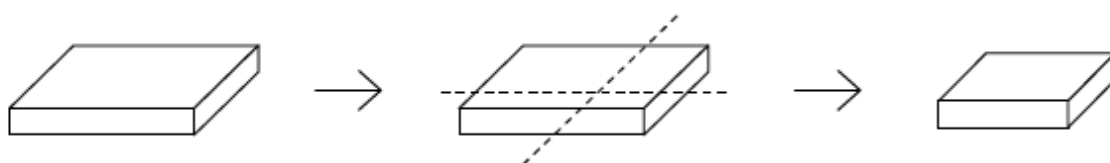

1. Custom Cutting & Resizing

Resizing

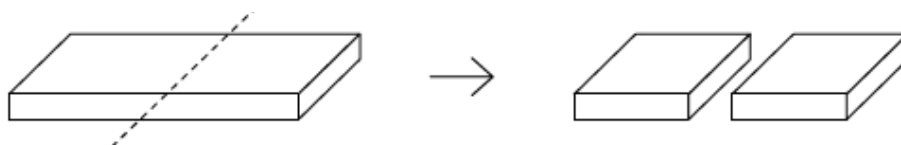

SAI can resize from our slab stocks (slab sized up to 2000 x 810) to meet your oversize requirements. Bulk processing available.

Paver

If our standard range paver sizes can not meet your requirement, we can resize them into your desired size.

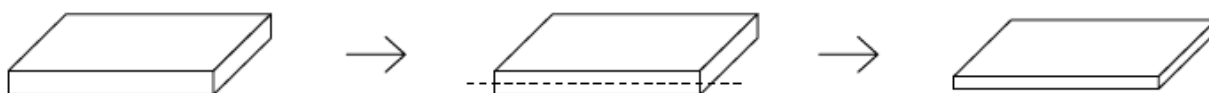

SAI can resize from our slab stocks (slab sized up to 2000 x 810mm) to meet you oversize requirements.

Thickness

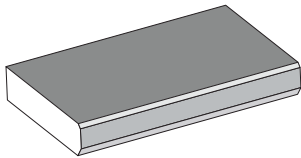

We can adjust our standard range paver thickness to fit into your project.

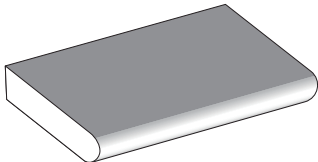

40mm → 35mm
30mm → 20mm
20mm → 17mm
